The Northern Healthy Foods Initiative (NHFI) is a community-based program, which is designed to increase access to affordable nutritious food in northern Manitoba communities.

NHFI assists northern communities to build capacity in local production of food for local consumption, choose nutritional foods, implement strategies to lower the cost for healthy foods, leverage funding for projects, and create food based economic development opportunities.

IS SOMETHING MISSING?

Is there something you would like to see in the Whispering Pines that we did not include? We take suggestions! Feel free to contact the office with article ideas, letters, or upcoming events you would like to advertise.

We can even do classified advertisements.

Whispering Pines

The Whispering Pines is a publication produced by the Northern Association of Community Councils which provides an essential means of communication between isolated communities and regions.

The Whispering Pines has been serving as an information tool for Northern communities since the early 1970's. Letters may be edited and represent the opinions of their authors. They do not reflect the opinions of NACC or its staff.

Thank you for your continued support!

A MESSAGE FROM NACC BOARD OF DIRECTORS

President Report; Reg Meade

Hello Whispering Pines Readers,

Thank you to all who attended the 46th AGM in August, the conference was a great success. I would like to congratulate all newly-elected and re-elected Councillors and Mayors, I look forward to meeting and working together with all of you at the 47th AGM.

Recently, I participated in the Manitoba’s Consultative Committee to help review applications for the Small Communities Fund and Clean Water & Waste Water Fund, congratulations to all the communities and rural municipalities who were successful. I also attended a meeting with Via Rail on November 9th where they discussed their summer numbers, prices for baggage and how to bring new initiatives to Northern Manitoba.

I would like to welcome the new Deputy Minister of Indigenous and Municipal Relations, Angie Bruce. I met with Mrs. Bruce in Thompson on November 16th to discuss the NACC communities and current issues and we look forward to working with her.

At the end of November I traveled to Winnipeg to attend the 18th Annual Association of Manitoba Municipalities (AMM) Convention. During the three day convention I enjoyed meeting representatives from different RM’s, it was quite interesting to see the different and similar issues the AMM faces and I look forward to working with them in the future as we now fall under the same department of Indigenous and Municipal Relations within the new government.

At the beginning of December I attended a gathering with the NACC Board of Directors for the first time since the AGM in August, the Board of Directors discussed the many resolutions received at the 46th AGM, as well as how we can improve for the 47th AGM.

I look forward to a new year , and working with each community. In saying that I wish everyone a safe and joyous holiday and happy new year.

Eastern Chairperson; Helgi Einarsson

Hello Everyone,

Our fall fishing season is now done for the year. Most crops are off the fields and everyone is preparing for winter. From the sounds of it we could be in for some harsh weather.

I would like to extend my congratulations to all of the newly elected or re-elected Mayors and Councillors. I kept my position as Mayor in Dauphin River and I am looking forward to working with all of you in the future.

Some of the recent happenings for our communities were the consultations done by Harold Westdal who went around to communities to discuss fishing issues and concerns, his report is not on the Provincial Government webpage.

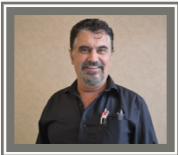

Other events of interest were the meetings with Sustainable Development on angling and fish stocks in Manitoba on November 16, 2016 and the MLOA Annual Conference & Tradeshow on December 11– 13, 2016 in Winnipeg.

I hope everyone has a joyous and safe holiday season. I look forward to seeing everyone next year at the AGM.

Merry Christmas and Happy New year

A MESSAGE FROM NACC BOARD OF DIRECTORS

Northern Chairperson; Glen Flett

Greetings Everyone,

I would like to congratulate all re-elected and newly elected for Mayor and Council, I am looking forward to working with each community council in the future.

The AGM and Tradeshow was once again a success and we as NACC would like to thank all presenters, councils, staff and honoured guests who were in attendance. The NACC Board of Directors has gathered in early December for the first time since the AGM.

In early November I attended a meeting hosted by Manitoba Families for housing stakeholders and I believe the meeting was successful in beginning to develop a strategy to identify the priorities for Manitoba Housing as they have taken into consideration the current challenges and opportunities.

The announcement made in late July, 2016 made by Denver-based OmniTrax to shut down The Port of Churchill with little explanation stunned many, especially those who are employed by the port.

I would like to wish everyone a safe and happy holiday.

(Acting) Western Chairperson; Larry Chartrand

Hello Whispering Pines Readers,

I hope everyone had an enjoyable summer and are ready for what is forecasted to be a very cold winter.

I would like to congratulate everyone who was successful in their bids to either retain their Council seats or as newly elected Council members. We at NACC look forward to working with each Council to make your communities a better place to live and work.

As we look forward to a new year we hope that working with our new government to better our communities can be a very rewarding positive experience. Many Capital projects that are on the table will hopefully be completed in the near future and councils can start working on developing much needed projects in their communities.

As we look towards the holidays I wish everyone a safe and joyous Christmas.

Congratulations!

Ashley Monkman who was named the 31st Citizen of the Year. The news came to Ashely from Selkirk and District Community Foundation Chairperson Kelly Lewis.

Ashley Monkman is originally from Pine Dock, Manitoba, where even as a child she went above and beyond with volunteering and helping the community. Ashley has many family members who still reside in Pine Dock.

There was a banquet held for the award on November, 9th, 2016 at the Selkirk Golf and Country Club to honour Ashley.

COMMUNITY FUNDING OPPORTUNITIES & PROGRAMS

Toyota Evergreen Learning Grounds: School Ground Greening Grants

Transforming the Outdoor Landscape of Canada's Schools, this program helps create outdoor classrooms to provide students with a healthy place to play, learn and develop.

Up to **\$3,500.00** is provided to **SCHOOLS & DAYCARES** on school Board/
District property.

Application Deadlines for the 2016-2017 school year are:

February 10, 2017

April 13, 2017

For **ELIGIBILITY** outlines and more information please contact:

Email: grants@evergreen.ca

Toll-free: 1-888-426-3138 x 310

COMMUNITY FUNDING OPPORTUNITIES & PROGRAMS

Community Water Safety Grants

The Manitoba Coalition for Safer Waters makes available grants of up to \$2,500.00 for community water safety projects. These projects might include things such as the construction of barriers at hazardous locations, improved signage at community swimming areas, pleasure craft operator training courses or swimming lessons for children.

Applications are now closed for the 2016 intake. The next application period will be in September/October 2017.

Check future additions of Whispering Pines for more information or please visit their webpage at: <http://mbsaferwaters.ca/grants/>

Personal Floatation Devices (PFD) Program

The Manitoba Coalition for Safer Waters PFD Loan Program supplies lifejackets and personal floatation devices (PFDs) to northern and remote communities to make these safety devices more widely available and to help reduce the number of drowning incidents in these locations.

Communities must apply for the program and agree to set up a PFD Loan Program in their local area to be eligible to receive a stock of PFDs.

Further information and a program application form may be obtained from the Manitoba Coalition for Safer Waters website.

For more details, please contact David Lyons at the Manitoba Coalition for Safer Waters.

COMMUNITY FUNDING OPPORTUNITIES & PROGRAMS

Breakfast Club of Canada

In Canada, 1 Child in 5 is at risk of starting the school day on an empty stomach due to a lack of access to nutritious foods. The Breakfast Club of Canada believes that all youth are entitled to a healthy breakfast each morning before school. The Club provides various options for schools, school boards, registered not-for-profit organizations and community organizations that meet their criteria.

Applications are accepted YEAR ROUND and are open to NEW and existing programs!

For more information and to apply please visit their webpage at:

<http://www.breakfastclubcanada.org/>

JumpStart

JumpStart funds kids who want to get active, kids who want to learn a new sport or activity and kids who want to keep up with a current sport or activity. But some kids just need a little extra financial help!

Applications for assistance can typically be submitted from January 15th-November 1st

Information on application requirements can be found on JumpStart's webpage!

Funding can also go to Community Partners, who expand or develop new programs for local kids, empowering a community to provide organized sports and play for their youth helps JumpStart reach more kids.

Want to apply?!

Visit jumpstart.canadiantire.ca and get started!

2017 Rendezvous Canada Partnership Program: Call for Applicants

Deadline: Tuesday, January 10th, 2017—4:00 PM PST

The Aboriginal Tourism Association of Canada (ATAC) is pleased to issue the following call for applicants to qualified Aboriginal tourism business and Aboriginal Tourism Marketing Organizations to participate as sellers in the 2017 Rendezvous Canada Partnership Program.

The 2017 Rendezvous Canada Partnership Program is an initiative which aims to increase participation from qualified Aboriginal tourism providers at the upcoming Rendez-vous Canada (RVC) Travel tradeshow held May 9th, 2017 to May 12th, 2017 in Calgary, Alberta.

RVC is Canada's premier international tourism marketplace, led by Destination Canada. RVC connects Canadian tourism business owners with international travel buyers from all over the world. This is a series of pre-scheduled appointments and networking events.

Aboriginal tourism businesses or Aboriginal Tourism Marketing Organizations must submit a letter of interest (maximum of two pages) to provide information about their business or marketing organization in order to participate in the 2017 Rendezvous Canada Partnership Program. In your letter you must provide the name and location of your business and a short description of how you meet the requirements.

For more information about requirements and about the event please contact The Aboriginal Tourism Association of Canada.

Canadian Diabetes Association

NOVEMBER -DIABETES AWARENESS MONTH

Diabetes Awareness Campaign

The core campaign focuses on prevention and helping Canadians learn their risk for type 2 diabetes by taking the **CANRISK test**. This short test takes only 5 minutes to complete anywhere there is internet access!

The campaign draws attention to common reasons people might think that they're protected from a type 2 diabetes diagnosis and it depicts a broad and diverse range of Canadians to remind us that we all need to know our risk and act on the results.

Take the test today at www.DiabetesTest.ca

Ronald McDonald House Charities, Manitoba

Keeping Families Close

Imagine your child has a life threatening illness or injury. The emotional and financial stress often accompanying childhood illness and injury can be unbearable for families. This is why Ronald McDonald House Charities Manitoba (RMHCMB) strives to meet every family's needs so they remain strong and close, helping them heal better together.

Located at 566 Bannatyne Avenue, Winnipeg, MB Ronald McDonald House Charities Manitoba has helped families heal together for over 30 years. (Since 1984)

To learn more about Ronald McDonald House Charities Manitoba, visit their website at rmhmanitoba.org or call them at 1-204-774-4772

Suicide Prevention Training Series

Klinik Community Health

Crisis Council Intervention

This is a half-day workshop educating participants on the basics of crisis and to teach participants communication skills necessary for crisis intervention. Activities included in the workshop are defining crisis, reactions to being in crisis, crisis development, and crisis intervention counselling.

This workshop is offered off site on a request basis: Please contact the Klinik at 204-784-4066 for more information.

Introduction to Suicide Prevention: Level 1

This is a full-day training session which introduces participants to the issues of suicide, explaining the context of suicide in our society, and the meaning of suicide in peoples lives. This training session includes topics such as suicide recognition, assessment, intervention and prevention methods.

Having a non-judgemental approach of care, compassion, and concern to suicidal individuals is presented to have a solid foundation of accurate suicide assessment of an individuals safety.

This workshop is offered off site on a request basis: Please contact the Klinik at 204-784-4066 for more information.

Suicide Loss and Bereavement for Service Providers

Many service providers will work with individuals who have lost a loved one to suicide. This is a half day workshop for service providers that will focus on understand the experience of suicide loss and learning how to support clients in their bereavement.

This course can be requested to be presented outside of Winnipeg at a fee that would be negotiated.

For more information contact Terri Cressman at 204-784-4055

For more information and courses please visit

The Northern Healthy Foods Initiative (NHFI) is a community-based program, which is designed to increase access to affordable nutritious food in northern Manitoba communities.

NHFI assists northern communities to build capacity in local production of food for local consumption, choose nutritional foods, implement strategies to lower the cost for healthy foods, leverage funding for projects, and create food based economic development opportunities.

NHFI BEESWAX WORKSHOP, 2016

The current NHFI bee keepers were invited to a special Beeswax Workshop where beekeepers learned how to make soap, candles, and lip balm out of beeswax!

The day was filled with learning, laughter, and fun! At the end of the workshop each participant went home with soap, candles, and lip balm that they had created themselves.

Learning how to make these beeswax items was a great way to introduce more uses of beeswax that is produced in the hives. On average, there is 1 pound of beeswax produced to every 10 pounds of honey!

NHFI FALL COMMUNITY VISITS

The NHFI Fall Community Visits were held in Dauphin River, Homebrook, Waterhen, Mallard, Meadow Portage, Spence Lake, Crane River, Rock Ridge, Camperville, Barrows, and Duck Bay.

Participants of these workshops were able to learn a variety of different topics. Some highlights were “Greenhouses” and “Growing in a Greenhouse”. We provided participants with a presentation and handout on how to successfully grow in a Greenhouse! Homebrook just purchased a greenhouse this year and was very excited to learn how to make seed starting pots out of recycled newspaper that can be started in the greenhouse.

Seed Saving was a hit where community members learned how easy and effective it is to save seeds of a plant that had desirable characteristics and almost guarantee that the same plant will grow again next year!

NHFI GROW NORTH REGIONAL CONFERENCE

A Grow North Regional Conference was held in Dawson Bay in the beginning of October. We learned how to Build a Greenhouse, the Basics of Beekeeping, and Traditional Home Remedies were presented and participants from Dawson Bay, Duck Bay, and Barrows enjoyed the day long conference.

***Yvonne Kyle & President Reg Meade**

NEW PLAYSTRUCTURE FOR MEL JOHNSON SCHOOL IN WABOWDEN

November 7, 2016 will be a day remembered by our students.

Mel Johnson School students and staff were very pleased to finally see their new play structure completed and take part in the ceremony of cutting the ribbon to officially open the play structure.

Mel Johnson School's last play structure was installed in the early 70's, and with letters from the young students to the School Committee asking for their assistance on getting some new play ground equipment, action was taken.

Community Places was approached for a grant for this purpose, which was approved with the specification that Wabowden provide 50% of the costs. 50% of the costs were provided with the help of Frontier School Division along with the Wabowden Community Council, Mrs. Vivian Clarke (a former resident of Wabowden) and Mel Johnson School Committee. Along with the donations several local volunteers came out to assist in assembling the structure. The play structure became a reality for our students.

On hand for the cutting of the ribbon was Mrs. Clarkes' daughter Yvonne Kyle. Present for the ceremony was Reg Meade, Mayor of Wabowden, Mel Johnson School Committee, Mel Johnson students and staff, local volunteers and community members.

Life is a Highway

The Premier Brian Pallister, Lynn Lake Mayor James Lindsay and the Minister of Infrastructure Mr. Blane Pederson announced on October 31st, 2016 that Provincial Road 391 that connects Thompson to Lynn Lake will be renamed after Tom Cochrane.

Tom Cochrane is originally from Lynn Lake, Manitoba and is a recognized rock star, the 322– kilometre highway will be named after Tom Cochrane and his hit song “*Life is a Highway*”. PR 391 will be renamed “*Tom Cochrane’s Life is a Highway*”.

A national concert tour has been announced and it includes a stop in Lynn Lake, Manitoba on August, 20th, 2017. The Minister encourages Manitobans to experience the unique sights of northern Manitoba.

Please visit: news.gov.mb.ca for more details

Community Meetings; Fisheries

Community meetings took place from November 14th, 2016 to December 1st, 2016. The meetings purpose was to discuss options, opportunities and issues that fishers, communities and stakeholders have and to try and develop recommendations to help transition from the current system to the new flexible markets.

A final report with recommendations will be released in the Spring of 2017.

For more information please visit: news.gov.mb.ca
