Food and Garden Equipment Program (EP)

Application and Agreement

Food or garden equipment can be used in homes, schools, community projects, or for NHFI workshops. A local Community Food Champion must report on equipment use to NACC, annually.

Some equipment examples include:

- Garden tiller
- Composter
- Dehydrator
- Pressure Canner
- Canning equipment

Applicants must be within the Northern Healthy Foods Initiative boundary.

Apply by **May 30**. If your application meets the requirements, you will receive a welcome package and instructions. Applications are reviewed on a first-come, first-served basis while funds last.

Participant Agreement

By signing this form, I agree to:

- Store and operate equipment within NACC NHFI community boundary
- Follow applicable equipment manuals and maintenance requirements
- Operate equipment in adherence to manufacture technical and safety recommendations
- Use equipment only as noted in application
- Contact NACC regarding any EP issues or difficulties as they occur
- Report equipment storage location and use to NACC in NHFI Annual Report
- Contact NACC if your community will no longer participate in the program
- Attend any required Equipment Program training
- Complete program surveys, reports, and submit photos
